

INTERIOR DESIGN PACKAGES

Signature Full-Service Design & Project Management

Professional interior design and project management support from start to finish, we'll oversee everything from Design Development to Implementation.

In the Design Phase, we'll prepare a comprehensive design plan with custom-sourced furnishings, finishes, fabrics, paint color selection and more.

Then we'll move into the Implementation Phase where we'll manage all product procurement, shipping & tracking, scheduling service appointments and deliveries, all the way to install and final styling for a full final reveal!

Pricing starting at \$1500

Designer for a Day

Great for anyone looking for guidance on finishes for a new build or renovation project. We'll consult with you on flooring, countertops, tile, lighting, fixtures, paint color, wallpaper, room space planning & more.
