## STAGING & STYLING PACKAGES

### "Design to Sell"

Our team works with realtors and homeowners alike to prepare homes for sale. We'll complete a comprehensive walk-through of the house and offer professional advice on how to make the space shine for professional listing photos, open houses and showings. You'll walk away with a detailed list of recommended home edits (anywhere from reorienting your furniture to a fresh coat of paint) to highlight the best features of your home for potential buyers.

Minimum 2-hour walk-through \$250

### Full Home Staging

Professionally-staged homes allow prospective buyers to visualize a property as a future home. They also sell more quickly than homes that are not staged or are completely empty.

With our staging expertise, we'll design a clean, custom look and bring in furnishings that'll showcase the best features of the home.
